**Wolf & Company, P.C. Promotes Cohn to Principal**

**BOSTON – October 1, 2007** – Daniel P. DeVasto, CPA, President and Chief Executive Officer of Wolf & Company, P.C., Certified Public Accountants and Business Consultants, is pleased to announce that Michael D. Cohn has been made Principal of the Firm.

Michael D. Cohn, CISA, Mike Cohn is a Certified Information Systems Auditor with over twenty-one years of experience. As a Principal in the Information Technology Assurance Services group in the Boston office, he is responsible for the coordination and delivery of enterprise risk assessment services including our WolfPAC<sup>SM</sup> suite. Mike is a seasoned business leader in both IT operations and management consulting, addressing complex IT infrastructure management issues such as reducing total cost of ownership, making technology investment decisions, and working effectively with customers, partners, and suppliers. He has worked extensively in the effective management of the WolfPAC<sup>SM</sup> software development project and vendor relationship management.

Mike is an accomplished public speaker. Some of his most recent presentations include: Bentley College MBA Program - “Structuring IT Service Delivery Organization;” Shared Services Network Conference, New Orleans - “Cost Effective IT Solutions;” and Center for Information Management Studies, Babson College - “IT Infrastructure: The Foundation of Everything We Do.” His published papers include: Center for Information Management Studies Working Paper Series, Babson College – “IT Governance Models” and “IT Financial Management;” and Shared Services Network Newsletter - “IT Management Transformation: Transforming IT to Business Services.”
