East Coast Conference

October 28th – 30th

Mohegan Sun, Uncasville, CT

[Registration](#)

West Coast Conference

November 6th – 7th

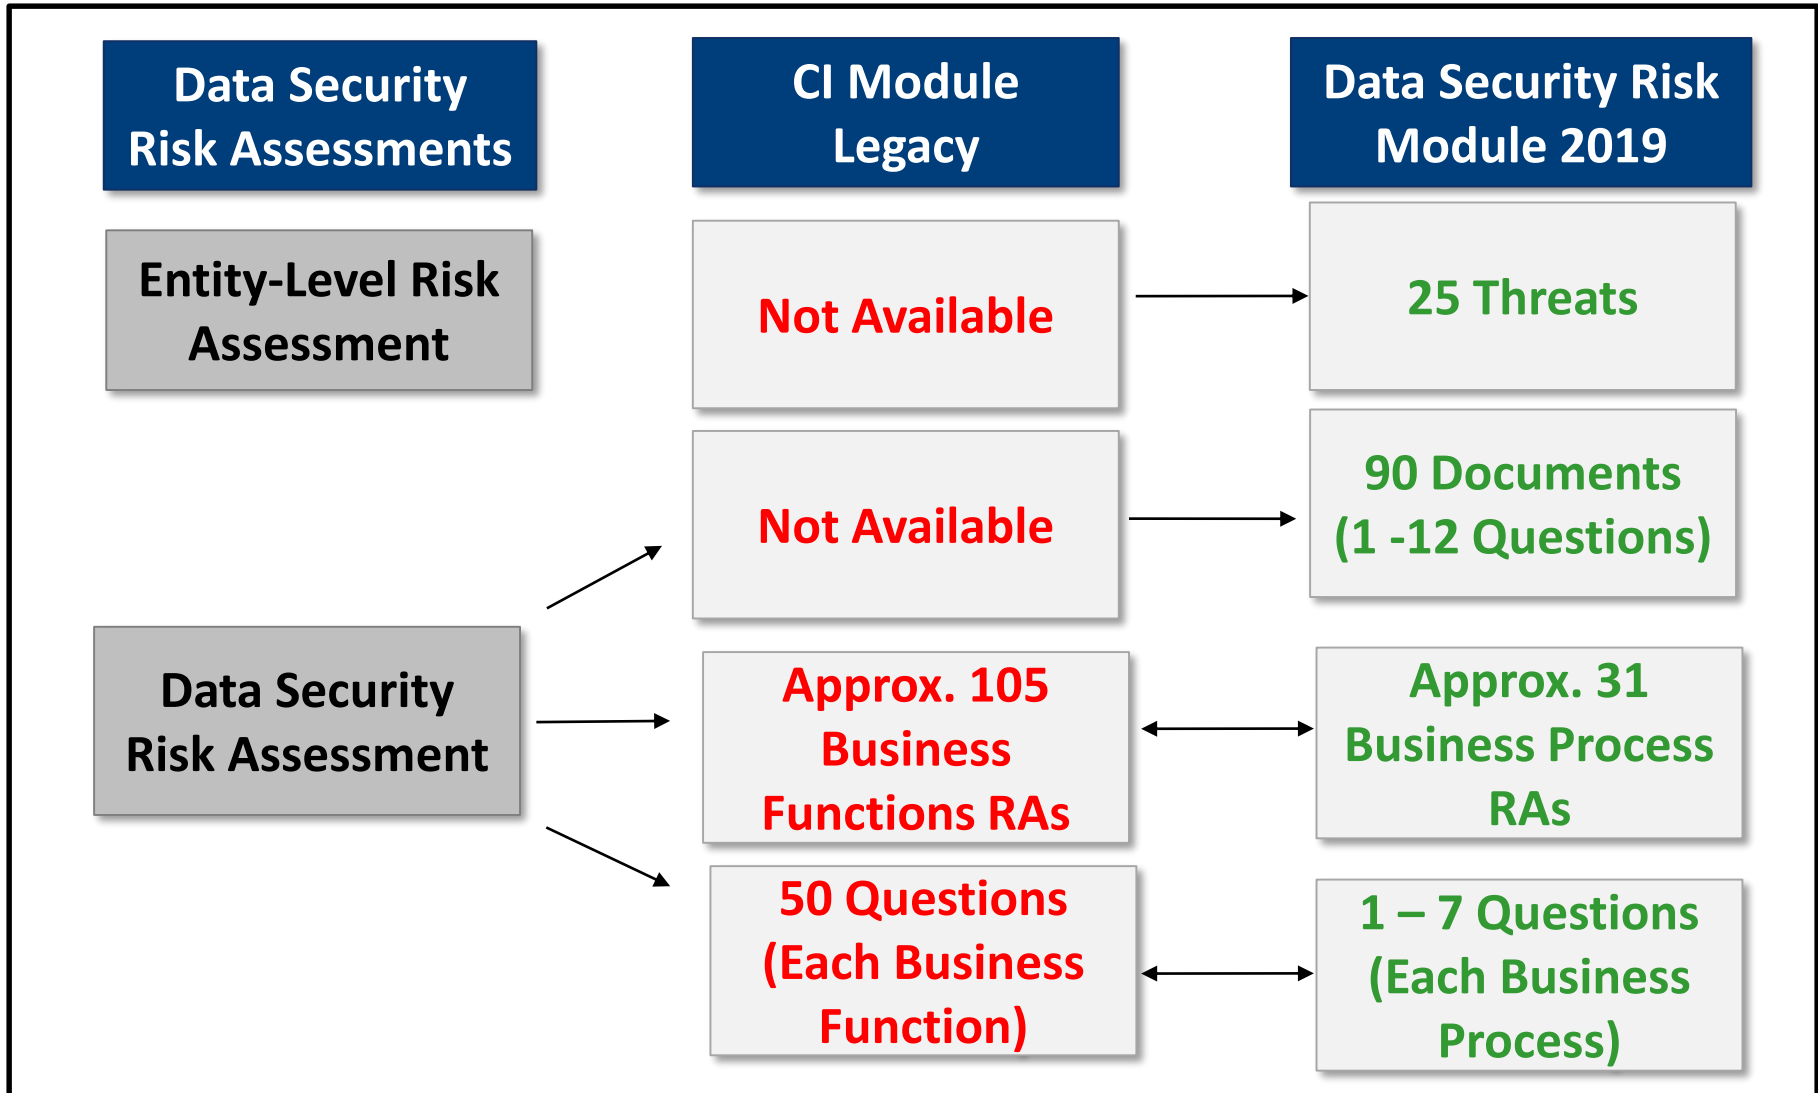

Mandalay Bay, Las Vegas, NV

[Registration](#)

- Components of a Data Security and Privacy Risk Assessment
- WolfPAC Data Security and Privacy Module
 - New Questionnaires
 - Entity Level Risk Assessment
 - Integration with Information Technology, Third Party Risk and Compliance Modules
 - Controls
 - Reporting

Identify risks & controls over Non-Public Personal Information (NPPI) throughout all areas of your organization:

- **What you do** (business processes/functions)
- **What you use** (paper and electronic documents)
- **What supports what you do** (technologies)
- **Who supports what you do** (vendors)

Saving Time and Resources!

- If you implemented the Customer Information module:
 - Migration to Data Security and Privacy Module
 - Contact Brian Connolly – WolfPAC Client Experience Supervisor at bconnolly@wolfandco.com
- If not previously implemented, will use the enhanced module when ready
- Review Inventory of Regulatory Restricted Documents
- Assess Mitigating Controls
