

William Nowik, CISA, CISSP, QSA, PCIP Principal

OVERVIEW

Will leads Wolf's Livingston, New Jersey office and is a Principal in Wolf's Information Technology (IT) Assurance Services group where he is responsible for managing a team of professionals to ensure that his clients receive IT services that are tailored to their individual needs. Prior to joining Wolf in 2002, Will held an internal IT auditor role with Staples, Inc.

AREAS OF EXPERTISE

Will has performed IT assurance services for financial, technology, and healthcare industries for over fifteen years. His experience includes cybersecurity, IT risk management, network and data security, cloud security, business continuity planning and disaster recovery, incident response, vulnerability assessments, penetration testing, social engineering testing, IT strategic planning, and policy and procedure development. Will regularly speaks on the topics noted above and enjoys helping his clients secure their environments. In addition to the areas noted above, Will has helped his clients implement information security programs that comply with the Gramm Leach Bliley Act (GLBA), Health Insurance Portability and Accountability Act (HIPAA), Payment Card Industry Data Security Standard (PCI DSS), state privacy laws, and Sarbanes-Oxley (SOX 404) Act.

ON A PERSONAL NOTE

Will resides in Bucks County, Pennsylvania with his wife Liz and three children, Katherine, Hannah, and William. When he's not helping clients secure their environment, Will enjoys spending time with his family, golf, football, and basketball.
